BUIGARIAN INFLUENZA EPIDEMIC REPORTED AND DENIED

SOFIA HEALTH DEPARTMENT REPORTS EPIDEMIC -- Sofia, Izgrev, 24 Feb 51

Dr Kondova, superintendent of the Health Department of the Sofia Municipal People's Soviet, reported, on 22 February 1951, on the current influenza epidemic in the capital. Although the disease is occurring in a very light form, and the number of cases is very low, according to Dr Kondova, the proper measures are being taken to prevent its spread.

BEALTH MINISTRY MAKES DENIAL -- Sofia, Izgrev, 3 Mar 51

The Ministry of Public Health has announced that, contrary to the rumors spread by hostile and ignorant persons, the country has no influenza epidemic. A few isolated cases have appeared, and the ministry is taking appropriate measures to check any further spread.
